NB: Please refer to unoccupancy clause below regarding restrictions applicable to cover provided in respect of valuables.

5a. Option to include/exclude cover for escape of water from fixed water tanks, apparatus or pipes.

Include cover for escape of water (only available if the property has oil or gas fired central heating fitted with automatic controls and a separate thermostat). See Unoccupancy clause below. Yes

Exclude cover for escape of water between 1st November and 31st March and €1,000 excess applies for escape of water claims occurring between 1st April and 31st October 20% discount Yes

Exclude all cover for escape of water 30% discount Yes

Unoccupancy clause – where the property has oil or gas fired central heating and escape of water cover is required. *

Immediately the home is unoccupied (having no-one in residence overnight):

- (a) you must ensure that between 1st November and 31st March both days inclusive annually

EITHER:

- (i) the electricity supply is switched off at the main switch and the water supply be switched off at the mains, and the entire water system and central heating system be drained of all water

OR IF THE ELECTRICITY AND WATER SUPPLY BE LEFT SWITCHED ON:

- (ii) a) where the entire home has the benefit of gas or oil fired central heating system fitted with automatic controls and a separate thermostat, the system be set to operate continuously for 24 hours of each day (not controlled by any timing device) and the thermostat set at not less than 10 degrees Celsius/50 degrees Fahrenheit and where fitted the loft hatch door is left open

or:

- b) where a system as described above is installed and is additionally fitted with a "frost stat" in the loft area that is designed and installed to override all other heating controls irrespective of their functional status, then this may be set to operate at not less than 4 degrees Celsius.

Before we can pay you any claim, it is a requirement that you (at our request) provide any bills for any utilities being supplied to the insured premises at the time of any loss or damage resulting from burst pipes/escape of water for verification by us.

- (b) Jewellery, furs, gold, silver, gold and silver plate is excluded from this insurance.

- (c) A responsible person is to be appointed to supervise and check the property at least once a week.

Failure to comply with requirement (a) above will result in loss or damage resulting from escape of water being excluded from this insurance.

Failure to comply with the requirement (c) above may result in this insurance becoming invalid.

* Please check your policy document, schedule and any endorsements that apply as different conditions may be imposed if you do not have oil or gas fired central heating.
